

How To Promote Video Marketing Mastery For Front End AND Backend Commissions

1. Here is the WSO: [Video Marketing Mastery](#)
2. Warrior Plus Affiliate Request: [Warrior Plus](#)
3. Best Quality PLR Affiliate Sign Up: [Affiliate Sign Up](#)

You will receive an email confirming your affiliate status

Now you are ready to promote...

1. WSO Pro will give you an aff link like this:

<http://www.warriorplus.com/linkwso/5b0ryt/7093>

2. Best Quality PLR will give you an affiliate link like this:

<http://bestqualityplr.com/dap/a/?a=1>

where a=1 is your affiliate id

In order to promote both WSO AND the Backend One Time Offer, you would mail a link like this:

<http://bestqualityplr.com/dap/a/?a=1&p=WSOProAffiliateLink>

IMPORTANT:

You MUST remove “http://” and “www” from the WSO Pro link. so in my example, your final affiliate link would be:

<http://bestqualityplr.com/dap/a/?a=1&p=warriorplus.com/linkwso/5b0ryt/7093>
